About the Idaho FFA Foundation

We are growing the next generation of leaders who will change the world. The mission of the Idaho FFA Foundation is to promote premier leadership, personal growth and career success of Idaho FFA members and agricultural education students by providing strategic financial resources for the Idaho FFA Association.

FFA is the premier youth organization preparing members for leadership and careers in the science, business, and technology of agriculture. This dynamic youth organization changes lives and prepares members for premier leadership, personal growth, and career success through agricultural education. FFA develops members' potential and helps them discover their talent through firsthand experiences, which give members the tools to achieve real-world success. The torch of leadership that FFA ignites in young people burns for a lifetime. Many of our current leaders in education, business, agriculture, and government got their start in FFA. FFA is an intra-curricular student organization for those interested in agriculture and leadership. It is one of the three components of agricultural education.

The Idaho FFA Foundation is an equal opportunity employer and does not discriminate based on race, color, religion, sex, national origin, age, disability, sexual orientation, gender identity, veteran status, or any other legally protected status.
